Podcast Host, CuriosityFlows

Apr 2020 — Apr 2020

"I had the great privilege of being on Curiosity Flows podcast with Remus, and I was so impressed by his preparation and knowledge coming into the interview. It was really nice to feel valued coming onto the show! Remus, as the podcast states, is a curious guy, and he takes great pride in what he does. He is honest and authentic, and a great listener, which will allow him to go extremely far as a podcast host and person!" - **Jordan Gross**
